

## Africa 2019 Consultants' Quarter Booking Form

The African E&P Conference is the premier event for technical discussions and networking on exploration and geosciences in Africa, with a rigorous technical programme and bustling exhibition floor. Attendances in recent years reaching over 650; including operators, consultants, governments and academia. There is a large poster programme in addition to the oral programme of over 30 high quality talks covering E&P in all regions of Africa. The poster programme is held on the exhibition floor which in 2017 boasted over 60 exhibitors.

All exhibitors will have access to meeting rooms onsite but will need to book space in advance. More information on this in the exhibitor manual.

Please note there will be separate forms for stands in the main floor and International Pavilion stands.
